

Hi, I'm Nick! ✌️

I am 23 years old, have completed an apprenticeship as a Premedia Specialist and work as a print production manager at Havas Switzerland. Last year I was able to work for Havas Spain in Barcelona for 2 months and learn Spanish fluently during this time. Through self-study, I have acquired a basic knowledge of web development – especially HTML, CSS, Tailwind CSS, JavaScript as well as React – with several courses and would now like to continue my professional education in this area. Now I'm ready for the next stage and would be happy to meet you in person.
